I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: I'm opposed to losing too much "freedom
of choice in medical treatment to politically
connected billion dollar medicinal conglomerates
and well funded medical lobbying groups
